

# WELCOME TO WORSHIP

July 24, 2022

For you were once darkness,  
but now you are light in the Lord.  
Live as children of light.

***Ephesian 5:8 NIV***

### Reason to Worship Him!

But you are a chosen people,

## Just be — and be still

“I am a human being, not a human doing. It’s okay to just *be* sometimes.” Many of us get anxious if we think we’re not *doing* enough, but peace activist Thich Nhat Hanh insists it’s not a waste of time to just be: “To be alive, to be peaceful, to be joyful, to be loving ... is what the world needs most.”

During the pandemic, when people were urged to stay home to slow the virus’ spread, we had to think hard about how to continue being the church while limited in what we could go out and “do.” Yet church leaders reminded us that we were actually loving our neighbors by staying home — by being less active.

It’s sometimes okay — ideal, even — to just be. In quieting our bodies, minds and hearts, we may find ourselves more often in prayer, more aware of God’s presence and more nourished for when the time is right to again take up more active forms of ministry, peacemaking and love. “In quietness and trust is your strength” (Isaiah 30:15, NIV).
