Hurricane Season is here.

Hurricane Fiona has hit Puerto Rico and Canada. Ian has decimated parts of Florida and is making its way up the east coast. Please pray for everyone affected by these devastating storms. Information for giving will be forthcoming.

For Everything There is a Season

Wanting his sons to learn not to judge too quickly, a man sent each, in turn, on a quest to look at a pear tree far away and report what he saw. The first son went in winter, the second in spring, the third in summer and the fourth in fall. Finally, the father gathered the young men together. "What did you see?" he asked.

The first son reported seeing an ugly tree, bent and lifeless. The second disagreed, saying it was budding with fresh new life. The third son reported finding a tree laden with sweet-smelling, beautiful blossoms, while the fourth insisted it drooped with ripe fruit.

The father said his sons were all correct, for they'd seen the same tree, though at different seasons of its life. "Don't judge a tree — or a person — based on just one season of life," he counseled his children. "Who they are can only be known at the end, when all life's seasons have been lived.

"Furthermore," he added, "don't give up on your own life if you experience a hard season, such as winter, or you'll miss out on the renewal of spring, the joy of summer, the fulfillment of autumn."
