Appreciating your pastor

Most pastors are deeply devoted to Christ and believe that God has called them to serve in a certain place. They work hard to share the good news of the gospel. So in honor of Pastor Appreciation Month in October, consider the following:

God doesn't call the qualified; he qualifies the called. Bless your pastors with your encouragement, patience, and kindness.

We don't change the message; the message changes us. You probably won't like all your pastor's sermons or newsletter columns. Keep an open mind and heart. Ponder that something may rub you the wrong way because God is trying to change you.

Pray for your Pastors. Pray often and caringly for your pastors, church leaders and their families. The roles are challenging, so support them spiritually and ask God to reveal his love and grace to these special servants.
