Apartment Urgently Needed

Every problem is not your assignment. Every need is not your responsibility. In the Gospel of John, Jesus say that he only did what the Father told Him, he only went where the Father told him to go, he only said what the Father told him to say. Jesus limited himself to the Father's will for his life, the Father's assignments. The Father gave him the resource to do what the Father wanted him to do. The secret to success is to find what God wants and do it. When we take on too much that God isn't assigning to us we become our own source and we burn out, we become emotionally and spiritually depleted and we run on empty. Fruitful living is a byproduct of abiding in the presence of God, staying in step with the Spirit, receiving God's assignments and limiting ourselves to what the Father has assigned us to do.
