

WELCOME TO WORSHIP

November 27, 2022

1st Sunday of Advent, we light the Hope Candle.
No one should ever be without the light;
hope in Jesus provides.

Reason to Worship Him!

To them, God chose to make known how great among
the Gentiles (among those deemed outsiders)
are the riches of the glory of this mystery,
which is Christ in you, the hope of glory.

Colossians 1:27 ESV

Hope defined

Hoping does not mean doing nothing.

It means going about our assigned tasks, confident that God will provide the meaning and the conclusions. It is not compelled to work away at keeping up appearances with a bogus spirituality. It is the opposite of desperate and panicky manipulations, of scurrying and worrying.

And *hoping* is not dreaming. It is not spinning an illusion or fantasy to protect us from our boredom or our pain. It means a confident, alert expectation that God will do what he said he will do. It is imagination put in the harness of faith. It is a willingness to let God do it his way and in his time. It is the opposite of making plans that we demand that God put into effect, telling him both how and when to do it.
